

Southwood and Northfield teachers, department chairpersons, and principals have selected to add these books as part of their curriculum instructional materials (2020). A digital copy of the list will be available on our district website and a printed copy of the list will also be available at the MSDWC central office for public review. Parents wanting to see a copy of the book should contact Tim Drake at the central office. A print copy of the book will be made available within three business days of a formal request. Parents may submit a concern or objection to any of the books within four weeks of the list being made public. The appropriate forms and directions are available in the MSDWC central office. At the end of the review window, the list will be presented to the board with comments or concerns for board approval.
