Dear Parents, Guardians and/or Students,

Due to the Covid-19 crisis we will not be able to offer the Traditional Class this summer at Sharp Creek like originally planned. We are still offering the online course if you go to our [www.TheDrivingCenter.net](http://www.TheDrivingCenter.net). Click the get started button and it is set up where you can begin and complete up to 50% before it comes to a stop, if you have not made any payment by that point. This is a great time to knock out the online portion of Driver Education.

Here at the Driving Center the health and safety of staff and students is the utmost importance. Once we are allowed to begin driving with students again, we will make sure to take all the essential steps to keep everyone as safe as possible. The total cost of Driver Education is \$350 for the 30 hours of classroom and 6 hours of behind the wheel instruction with a certified instructor.

In order to obtain a learner's permit, you must be at least 15 years of age and enrolled in a driver education class. Once you either pay the \$100 deposit or the full \$350, we would issue the CDE (Certificate of Driver Education Enrollment) form to take to the BMV to obtain the Learners Permit. The drives will be done locally by Mrs. Marianne Milam and Mr. Dave Martz among others. If you have any questions please feel free to give us a call at 765-640-0973 or email at [rpstarkey@thedrivingcenter.net](mailto:rpstarkey@thedrivingcenter.net).

Thanks and stay safe,

The Driving Center
