

Dear Parent/Guardian,

The Indiana Department of Education (IDOE) announces the cancellation of the upcoming Spring 2020 assessment windows. Please note this guidance applies to all corporations and/or schools responsible for delivering state assessments within Indiana. The specific assessments are noted below with additional details.

- IREAD-3
 - The Spring 2020 IREAD-3 assessment is cancelled.
 - A decision about the Summer 2020 IREAD-3 Retest for currently enrolled fourth and fifth graders needing this requirement will be made at a later date.

- ILEARN (3-8, End-of-Course Assessments)
 - The Spring 2020 ILEARN assessment is cancelled.
 - The Winter 2020 ILEARN Biology results and rescore opportunity will be deployed at a later date more conducive to corporation and school availability to engage in the review of student responses.

- ISTEP+
 - The ISTEP+ Part 1 and 2 First Time Administration is cancelled for the remaining duration in Spring 2020.
 - ISTEP+ Winter 2020 test results will be deployed on April 6, 2020 as previously scheduled to inform decisions about remediation and graduation requirements.
 - A decision about the Summer 2020 ISTEP+ Retest will be made at a later date.

- I AM
 - The I AM assessment is cancelled.

- WIDA Screener
 - WIDA Screeners should be provided to students per federal guidance to the extent the corporation or school is open to determine associated services upon enrollment. No action is required if the corporation or school building is formally closed to students. Contact IDOE for additional guidance in varying circumstances.

- ISPROUT Early Learning Assessment
 - ISPROUT continues to be available for early childhood providers to indicate ratings to the extent providers are open and available to do so. ISPROUT administration should be deprioritized as rationale for decisions regarding provider access. Contact IDOE for additional guidance in varying circumstances.

The Department will release additional guidance to schools as it becomes available.
